## COUNCIL COMMUNICATION

AGENDA TITLE: Set Public Hearing for May 15, 1996 to Receive Input on the Use of Federal Transit Authority Funds for 1995/96 and 1996/97

MEETING DATE: May 1, 1996

PREPARED BY: Public Works Director

---

RECOMMENDED ACTION: That the City Council set a public hearing for the regularly scheduled Council meeting of May 15, 1996, to receive input on the use of Federal Transit Authority Funds for 1995/96 and 1996/97.

BACKGROUND INFORMATION: Federal regulations require the local legislative body to conduct a public hearing on the uses of Federal Transit Authority dollars prior to submitting a grant application. The sole purpose of this hearing is to solicit comments from the public on how transit dollars should be spent. Staff will make no presentation at this meeting; we want to hear from the public. After the hearing, staff can submit the grant application.

The reason we are scheduling one public hearing for both years is that the 1995/96 grant application has not been filed and the only expenditures are for operations. Lodi's Transit Improvement Plan (TIP) did not anticipate any capital expenditures for this year. It is anticipated the hearing will be *pro forma* for 1995/96 as we have no authority to spend 1995/96 grant money on anything other than operations.

FUNDING: Not applicable.
